About EGIA

The Electric & Gas Industries Association is a non-profit organization dedicated to advancing energy efficiency and renewable energy solutions and a leader in providing resource efficiency services for utility companies nationwide. EGIA is working with GE Money to deliver the nationally recognized GEOSmart Home Improvement and Solar Financing program.

EGIA Approved Contractors See Higher Close Rates and Increased Sales

To assist homeowners in selecting a qualified contractor, EGIA established the "Approved Contractor" designation. This Certification gives homeowners confidence that they are working with a premier and quality focused service provider. Only EGIA Approved contractors can offer GEOSmart financing.

To learn more about the GEOSmart financing program and how you can become an EGIA Approved Contractor visit www.egia.org/GEOSmart or call EGIA at 1-866-367-3442.
